Brit. J. prev. soc. Med. (1970), **24**, 249-250

INDEX TO VOLUME 24, 1970

Abdominal pain, undiagnosed, treated in hospital, incidence and prognosis of, 47
ACHESON, E. D.: *see* RANG, E. H., etc., 47
Admissions policy in maternity unit, 169
Africa, prevalence of overweight and obesity in an urban population sample, 105
ALBERMAN, E. D., and GOLDSTEIN, H.: The 'at-risk' register: a statistical evaluation, 129
ALDERSON, M. R.: Terminal care in malignant disease, 120
ANDERSON, T. W., and LE RICHE, W. H.: Ischaemic heart disease and sudden death, 1901–61, 1
Anencephalus in Belfast, incidence and secular and seasonal variations in, 1950–66, 78
Ankle reflex timing as screening procedure for the detection of hypothyroidism, 16
Antenatal care services, utilization of, 52
ASHTEY, G. A., and MACKENZIE, G.: 'Clustering' of multiple sclerosis cases by date and place of birth, 163
'At-risk' register, statistical evaluation of, 129
BARKER, D. P. J., and BISHOP, J. M.: Computer analysis of symptom patterns as a method of screening patients at special risk of hypothyroidism, 193
—: *see* MUCKLOW, J. C., etc., 16

BEAVER, M. W.: Maternity unit admissions policy and the use of simulations, 169
Belfast, anencephalus in, 78
BICE, T. W.: *see* KALIMO, E., etc., 229
BILLEWICZ, W. Z., and THOMSON, A. M.: Body weight in parous women, 97
Birth, developmental and neurological sequelae of common complications of, 33
Birth weight, changes in, and proportion of low-weight births in Hungary, 146
— —, low, patterns in West Jerusalem, with reference to maternal origin, 89
BISHOP, J. M.: *see* BARKER, D. J. P., etc., 193
BITHELL, J. F.: Patients on the waiting list of a London teaching hospital, 241
Blood pressure, diastolic and systolic, correlation of weight-height index with, 201
BOGNAR, Z.: *see* CZEIZEL, A., etc., 146
Bronchitis, environmental factors in the aetiology of, 58
— mortality in Scotland, recent trends in, 110
BUGLASS, D., DUGARD, P., and KREITMAN, N.: Multiple standardization of parasuicide ('attempted suicide') rates in Edinburgh, 182
Burkitt's lymphoma and sickle cell trait, 39

Central nervous system, major malformations of, in Hungary, 205
CHAMBERLAIN, R., and HILL, G. B.: Deaths of children in Greater London 1966, 136
Child mortality in Greater London, 1966, 136
'Clustering' of multiple sclerosis cases by date and place of birth, 163
COLE, P.: *see* KAPLAN, S., etc., 245
Community surveys, standardized psychiatric interview for use in, 18
Computer analysis of symptom patterns, as method of screening patients at special risk of hypothyroidism, 193
— -assisted immunization scheme, results and costs of, 187
Congenital malformations, incidence of, in regions of England and Wales, 67
— —, incidence of, seasonal, in United States 24
COOK, J.: *see* TOPP, S. G., etc., 154
COOPER, B.: *see* GOLDBERG, D. P., etc., 18
Cornell Medical Index, analysis of selected emotional questions from, 229
CROFTON, E. C.: Recent trends in mortality from lung cancer and bronchitis in urban and rural areas in Scotland, 110
CROSS, K. W., HASSALL, C., and SPENCER, A. M.: The dynamics of a long-stay mental hospital population, 177
CZEIZEL, A., BOGNAR, Z., TUSNADY, G., and REVESZ, P.: Changes in mean birth weight and proportion of low-weight births in Hungary, 146
—, and REVESZ, C.: Major malformations of the central nervous system in Hungary, 205

DAVIES, A. M.: *see* LEGG, S., etc., 89
Death rates, in relation to ischaemic heart disease, 1
Developmental and neurological sequelae of common complications of pregnancy and birth, 33
DUCIMETIERE, P.: *see* ELGRISHI, I., etc., 197
DUGARD, P.: *see* BUGLASS, D., etc., 182

EASTWOOD, M. R.: *see* GOLDBERG, D. P., etc., 18
Edinburgh, multiple standardization of parasuicide rates in, 182
Electrocardiogram, reproducibility of analysis of, in epidemiology using the 'Minnesota Code', 197
ELGRISHI, I., DUCIMETIERE, P., and RICHARD, J. L.: Reproducibility of analysis of the electrocardiogram in epidemiology using the 'Minnesota Code', 197
ELLIOTT, A.: *see* TOPP, S. G., etc., 154
ELWOOD, J. H.: Anencephalus in Belfast. Incidence and secular and seasonal variations, 1950–66, 78
England and Wales, incidence of congenital malformations in, 67
Environmental factors, influence of, on height and weight of schoolchildren, 154
— — in the aetiology of lung cancer and bronchitis, 58
Epidemiology, reproducibility of analysis of the electrocardiogram in, 197
—, statistical analysis of patient-control studies in, 42

FAIRBAIRN, A. S.: *see* RANG, E. H., etc., 47
FLEISS, J. L.: On the asserted invariance of the odds ratio, 45

GARDNER, M. J., and WALLER, R. E.: Environmental factors in the aetiology of lung cancer and bronchitis, 58
GOLDBERG, D. P., COOPER, B., EASTWOOD, M. R., KEDWARD, H. B., and SHEPHERD, M.: A standardized psychiatric interview for use in community surveys, 18
GOLDSTEIN, H.: *see* ALBERMAN, E. D., etc., 129
GRIMLEY EVANS, J., and PRIOR, I. A. M.: Experience with the random-zero sphygmomanometer, 10
GRUER, R.: Hospital discharges in relation to area of residence, 124

HASSALL, C.: *see* CROSS, K. W., etc., 177
HAY, S.: *see* WEHRUNG, D. A., etc., 24
Heart disease, ischaemic, and sudden death, 1
Height of schoolchildren, influence of environmental factors on, 154
HILL, G. B.: *see* CHAMBERLAIN, R., etc., 136
HOLLAND, W. W.: *see* TOPP, S. G., etc., 154
Hospital discharge, feasibility for subnormal patients of, 116
— — in relation to area of residence, 124
—, treatment of undiagnosed abdominal pain in, 47
Hospitals for the subnormal, feasibility of discharge of patients from, 116
Hungary, changes in birth weight and proportion of low-weight births in, 146
—, major malformations of the central nervous system in, 205
Hypothyroidism, method of screening patients at special risk of, 193
—, screening procedure for the detection of, 16

Immunization scheme, computer-assisted, results and costs of, 187
Ischaemic heart disease and sudden death, 1

KAHN, H. A.: *see* SIVE, P. H., etc., 201
KALIMO, E., BICE, T. W., and NOVOSEL, M.: Cross-cultural analysis of selected emotional questions from the Cornell Medical Index, 229
KAPLAN, S., and COLE, P.: Factors affecting response to postal questionnaires, 245
KEDWARD, H. B.: *see* GOLDBERG, D. P., etc., 18
KISUULE, A.: *see* PIKE, M. C., etc., 39
KNOWELDEN, J.: *see* LUNN, J. E., etc., 223
KREITMAN, N.: *see* BUGLASS, D., etc., 182

LEGG, S., DAVIES, A. M., PRYWES, R., STERK, V. V., and WEISKOPF, P.: Patterns of low birth weight in West Jerusalem with special reference to maternal origin, 89
LE RICHE, W. H.: *see* ANDERSON, T. W., etc., 1
London, Greater, child mortality in, 1966, 136
— teaching hospital, patients on the waiting list of, 241
Lung cancer, environmental factors in the aetiology of, 58
— — mortality in Scotland, recent trends in, 110
LUNN, J. E., KNOWELDEN, J., and ROE, J. W.: Patterns of respiratory illness in Sheffield junior schoolchildren: A follow-up study, 223

MACKENZIE, G.: *see* ASHITEY, G. A., etc., 163
MCKEOWN, T., and TERUEL, J. R.: An assessment of the feasibility of discharge of patients in hospitals for the subnormal, 116
MCKINLAY, J. B.: The new late comers for antenatal care, 52
MAFIGIRI, J.: *see* PIKE, M. C., etc., 39
Malformations of the central nervous system, in Hungary, 205
—, congenital, incidence of, in regions of England and Wales, 67
—, —, seasonal incidence in United States, 24
Malignant disease, terminal care in, 120
Maternity unit admissions policy, and the use of simulations, 169
MEDALIE, J. H.: *see* SIVE, P. H., etc., 201
Mental health questionnaires, cross-cultural analysis of, 229
— hospital, dynamics of a long-stay population in, 177
'Minnesota Code', 197
MORROW, R. H.: *see* PIKE, M. C., etc., 39, 42
Mortality, child, in Greater London, 136
—, recent trends in, from lung cancer and bronchitis, in Scotland, 110
MUCKLOW, J. C., and BARKER, D. P. J.: Ankle reflex timing as a screening procedure for the detection of hypothyroidism, 16
Multiple sclerosis cases, 'clustering' of, by date and place of birth, 163

NEUFELD, H. N.: *see* SIVE, P. H., etc., 201
Neurological sequelae of common complications of pregnancy and birth, 33
NOVOSEL, M.: *see* KALIMO, E., etc., 229

Odds ratio, invariance of, 45
OSHOTAYO JOHNSON, T.: Prevalence of overweight and obesity among adult subjects of an urban African population sample, 105
Overweight and obesity among adult subjects of an urban African population sample, 105

Parasuicide rates, multiple standardization of, in Edinburgh 182
Patient-control studies, statistical analysis of, in epidemiology 42
Patients on the waiting list of a London teaching hospital, 241
PIKE, M. C., MORROW, R. H., KISUULE, A., and MAFIGIRI, J.: Burkitt's lymphoma and sickle cell trait, 39
— and MORROW, R. H.: Statistical analysis of patient-control studies in epidemiology, 42
Pregnancy, developmental and neurological sequelae of common complications of, 33
PRIOR, I. A. M.: *see* GRIMLEY EVANS, J., etc., 10
PRYWES, R.: *see* LEGG, S., etc., 89
Psychiatric interview, standardized, for use in community surveys, 18

Questionnaires, mental health, 229
—, postal, factors affecting response to, 245

Random-zero sphygmomanometer, experience with, 10
RANG, E. H., FAIRBAIRN, A. S., and ACHESON, E. D.: An enquiry into the incidence and prognosis of undiagnosed abdominal pain treated in hospital, 47
Respiratory illness, patterns of, in Sheffield junior schoolchildren, 223
REVESZ, C.: *see* CZEIZEL, A., etc., 205
REVESZ, P.: *see* CZEIZEL, A., etc., 146
RICHARD, J. L.: *see* ELGRISHI, I., etc., 197
RISS, E.: *see* SIVE, P. H., etc., 201
ROBERTS, C. J.: Developmental and neurological sequelae of the common complications of pregnancy and birth, 33
ROE, J. W.: *see* LUNN, J. E., etc., 223

SAUNDERS, J.: Results and costs of a computer-assisted immunization scheme, 187
Scotland, recent trends in mortality from lung cancer and bronchitis, 110
Screening patients at special risk of hypothyroidism, computer analysis of symptom patterns as a method of, 193
— procedure, use of ankle reflex timing as, in detection of hypothyroidism, 16
Sheffield, patterns of respiratory illness in junior schoolchildren, 223
SHEPHERD, M.: *see* GOLDBERG, D. P., etc., 18
Sickle cell trait, and Burkitt's lymphoma, 39
Simulations, use of, and maternity unit admissions policy, 169
SIVE, P. H., MEDALIE, J. H., KAHN, H. A., NEUFELD, H. N., and RISS, E.: Correlation of weight-height index with diastolic and with systolic blood pressure, 201
Society for Social Medicine, Proceedings of, 61
SPENCER, A. M.: *see* CROSS, K. W., etc., 177
Sphygmomanometer, random-zero, experience with, 10
Standardized psychiatric interview for use in community surveys, 18
Statistical analysis of patient-control studies in epidemiology, 42
STERK, V. V.: *see* LEGG, S., etc., 89
STOCKS, P.: Incidence of congenital malformations in the regions of England and Wales, 67
Subnormal, feasibility of home and hostel care for, 116
Suicide, attempted, in Edinburgh, 182

Terminal care in malignant disease, 120
TERUEL, J. R.: *see* MCKEOWN, T., etc., 116
THOMSON, A. M.: *see* BILLEWICZ, W. Z., etc., 97
TOPP, S. G., COOK, J., HOLLAND, W. W., and ELLIOTT, A.: Influence of environmental factors on height and weight of schoolchildren, 154
TUSNADY, G.: *see* CZEIZEL, A., etc., 146

United States, study of seasonal incidence of congenital malformations in, 24

Waiting list of a London teaching hospital, patients on, 241
WALLER, R. E.: *see* GARDNER, M. J., etc., 58
WEHRUNG, D. A., and HAY, S.: A study of seasonal incidence of congenital malformations in the United States, 24
Weight, birth, changes in, in Hungary, 146
—, body, in parous women, 97
— of schoolchildren, influence of environmental factors on, 154
—: *see also* Overweight
Weight-height index, correlation of, with diastolic and systolic blood pressure, 201
WEISKOPF, P.: *see* LEGG, S., etc., 89
West Jerusalem, patterns of low birth weight in, with reference to maternal origin, 89
